

Follow the 2021 Little League® Baseball and Softball U.S. Region and World Series Tournaments with GameChanger for Live, In-Game Statistics, Play-by-Play Coverage, and Box Scores

Throughout the Little League® International Tournament season, Little League and GameChanger have been providing fans and media access to live scores, stats, pitch-by-pitch game updates, and more.

During your coverage of the Little League Region and World Series tournaments, we encourage you to use this great resource to help track live game statistics and access postgame box scores. Set up is **easy and free**, and following these three simple steps, you will have access to the information you need to help make your coverage of the 2021 Little League Region and World Series tournaments as seamless as possible.

In addition to following all games on GameChanger, digital box scores will be available on LittleLeague.org.

How to Use GameChanger:

- Create a **FREE** account on GameChanger: <https://gc.com/join>
- Find the event you are looking to cover at LittleLeague.org: [Baseball](#) | [Softball](#)
 - Click on the "[Overall](#)" link for an overview of the tournament
 - Click on the "[Schedule and Results](#)" link for the full list of games
 - Click the "[Teams](#)" link to view team-specific information

For game coverage:

Visit LittleLeague.org/WorldSeries to choose your event and visit the schedule page. Then, click on "Box Score" for the game you are looking to cover. This will bring you to the GameChanger live scoring page for that particular game, which includes box scores, stats, and full play-by-play coverage.

For team coverage:

Visit LittleLeague.org/WorldSeries to choose your event and click the region you are looking for. These pages will include complete tournament information and individual player information. To gain full tournament statistics for a specific team, click on the team's name in GameChanger.

If at any time, you have any issues, problems, or questions, please contact wsmedia@littleleague.org.
