

Little League® University

Live Webinar Series

Playoffs - Local League / Special Games

objectives

- Examine different playoff opportunities for regular-season teams.
- Discuss using special games as an additional play opportunity, and a way to meet eligibility requirements.
- Explore ways to enhance the regular-season experience through organizing and scheduling special games.

Matt Weber
Little League
Southeast Region
Assistant Director

in-season

regular season playoffs

Leagues are permitted to conduct regular season playoffs to determine a league champion

- o First and second half champions
- o Whole league playoffs

Regular Season rules ONLY

Any other games require written permission as Special Games under Regulation IX

in-season special games

- Games between Little League teams
- Tournament, round-robin style
 - Not a season-like slate of games
- Regular season or Tournament Rules to be used
 - Softball may use the Expanded Special Games Guide
- Excellent fundraising, recruitment, and travel ball-style competition opportunity

in-season special games

Forms must be completed and approved before games begin

Intermediate (50/70) Baseball Division and Junior League up to six (6) games played under special games against chartered Little League teams may count towards any player's regular season participation for tournament eligibility

Senior League up to ten (10) games played under special games against Little League teams may count towards players' regular season participation for tournament eligibility

in-season non-little league special games

- | Approval required before games are played

- | Games against non-Little League organizations

- | Along with form, insurance for non-Little League group must be submitted before games are played

 - o Must be in compliance with Little League regulations

- | Games are played at Little League facilities under Little League rules

- | Tournament, round-robin style

 - o Not a season-like slate of games
